SAN JOSE, CALIFORNIA, THURSDAY, FEBRUARY 19, 1948

Number 87

EDUCATORS ENTHUSED AS BOND ISSUE PASSES

Passage of the \$9,000,000 school bond issue by an overwhelming margin of three-and-a-half to one Tuesday was met with enthusiastic approval on the San Jose State college campus. "That thumping majority in favor of the bonds is heartening evidence of the spirit of San Jose, once the people are aroused," stated President T. W. MacQuarrie. "It was a great campaign. My congratulations to all concerned."

"It's wonderful!" exclaimed Dean of Men Paul Pitman. "The response of the voters was a tribute to two things. First, to the professional leadership of the schools of San Jose, for it showed the confidence that is placed in them. Secondly, it was evidence of the strength of a real-hearted democracy. The voters realized that it is our government and our schools, and they know that an educated citizenry is necessary to democracy."

ASB President Emerson "Doc" Arends, who stressed the fact that the potentiality of SJS graduates can be increased as a result of better educated students and a higher academic level, thanks the college people who turned out to vote.

"You will find that you are doing a favor for the youth of San Jose, the community as a whole, and yourself," he said.

Tuesday's election marked the first time that San Jose voters have passed a school bond election since 1929. Three previous bond issues had been defeated when a required two-thirds majority was not met.

Among the new schools to be built under the five-year construction program is San Jose High school. The State then can purchase the high school grounds and erect additional buildings for the college.

Fun And Prizes Highlight Dance

"Not only dancing to Tommy Pratt's orchestra, but entertainment and prizes are promised at tomorrow night's Senior class dance in the Women's gym," says Sal Millan, dance chairman.

Entertainment at the dance, which follows the OOP-San Jose State basketball game, will feature Fred Ross, ballad singer, and the 540 Boys. Ten or more prizes will be given away.

Ethel Dodge and Roberta Heide are in charge of decorations. Others on the committee include Eleanor Freitas, Dorothy Simson, Joyce Woods, Elwood Pierce, Adele Bertolotti, Bob Johnson, Meredith Hughes, Ella Bee German, and Donna McCarty.

Marilyn Zeller, 'Jeff' Brewster Appointed To AWS Regional Convention

Marilyn Zeller, sophomore, and Barbara "Jeff" Brewster, junior, were appointed as delegates to the Western Regional Convention of Associated Women Students in April, according to a report received yesterday.

The convention, which will be held at the University of Washington April 15-19, will hear college delegates from all the Western states on problems and plans of the AWS. Misses Zeller and Brewster will be accompanied by

Rooters' Section To Seat 250 Persons

Bob Culp, Rally committee chairman, announced that more than 250 seats will be roped off for a rooting section tomorrow night in the Men's gym for the OOP basketball game.

"The song girls and three yell leaders will be there," said Culp, "and we hope to have a band too."

Rally committee members will usher and keep out students without white shirts. Rooters' caps need not be worn, however.

The large "San Jose State" sign used at football games will be spread out above the rooting section on the west side of the gym. The yell leaders will hold up signs for yells to be used, said Culp.

Mixer Chairman Calls For Entrants

Nancy Etherton, chairman of the Freshman Class Mixer committee, announced yesterday that all freshmen who wish to compete in the contests to be held at the mixer, February 24, should sign up immediately on the sheet posted on the bulletin board across from the Morris Dailey auditorium.

Contests between the Freshman and the Sophomore classes will include: pie-eating, drinking milk from a nursing bottle (for couples), basketball games, and a tug-o-war. The time of the various events will be listed on the sign-up sheet.

Swim Tests Given Today At 1 p.m.

Swimming tests will be given today from 1 o'clock to 1:30 and Friday from 8:30-11, announced the Women's Physical Education department yesterday.

All women students, in order to fulfill the physical education requirement, must take one quarter of swimming unless the swimming exam is passed. Girls who wish to take the test are requested to report to Miss Mary Hooten at the pool.

Mrs. Izetta Pritchard, assistant dean of women.

The delegates were appointed at a recent meeting of the local AWS cabinet, stated Miss Brewster, acting president of the organization.

"The AWS plans on campus are going to be enlarged," commented Miss Brewster. "Because of the huge success of our Valentine dance February 14, we are planning on having a girl-takes-boy dance each year."

Student Body Dance Slated As Climax To 1948 Revelries

As a fitting climax to Revelries week the Social Affairs committee has slated an ASB dance at the Civic auditorium Saturday.

Paul Putnam and his popular orchestra will pace the hop as it swings from 9 p.m. to 1 a.m.

The decorative theme, "Night On Fisherman's Wharf," will attempt to capture the romance which has long been associated with boiling crab pots and net strewn docks of the scenic San Francisco spot.

Bids for the affair now are available in the Library arch free to ASB card holders.

Dave Down, dance chairman, reveals that all decorations have been made flameproof in accordance with standards set down by State law.

"We hope to have a big turnout for the dance," said Down. "Claire McMurtry, Social Affairs chairman, and a small committee have worked long and hard to make the affair a success."

Informal Student Recitals Planned

The first in a new series of informal student recitals will be held on Wednesday, February 25, in room 108 of the Music building at 12 noon, according to Benning Dexter, chairman of the Music Recital committee.

Recitals also will be held the following Wednesdays, March 3 and 10. The programs have been planned so that they will be over before 12:25, thus enabling participants and audience to make their 12:30 classes, Mr. Dexter explained.

Body Of Ex-SJS Student Returned

The remains of Walter Allen Moore, former San Jose State college student killed in action while serving overseas with the Navy in December, 1942, were returned to the West coast recently.

Moore is the son of Mr. and Mrs. Harry S. Moore, 1109 G street, Petaluma. Friends are advised to consult local newspapers for announcement of final funeral arrangements. Interment will be at Golden Gate National Cemetery, San Bruno.

Breakfast At O'Briens Honors Prom Group

Members of the Junior Prom committee were honored at a breakfast this morning at O'Briens where they were interviewed over station KLOK, according to Tom Wall, Junior class president.

Prom decorations and other information about the semi-formal dance were discussed and final plans were made.

Mr. Murchison Here

Mr. J. D. Murchison of the Cal Vets will be in room 18 today, according to Josephine Roose, coordinator of campus veteran affairs.

Mr. Murchison will answer questions that veterans may have in regard to benefits under the state educational benefits.

SAL MILLAN, McFARLAND TAKE SENIOR CLASS HELM

San Jose State college voters eked out a slight lead over Stanford, which recently had a turnout of 22 per cent, when approximately 25 per cent of student body card holders went to the polls yesterday. Sal Millan was elected to the post of senior class president. Assisting him as vice-president will be

Aimee Heap, Pinard Run Unopposed As Junior Justices

By BEA DOOLEY

Virtually assured of the posts of junior justices are Aimee Heap and Al Pinard who will be unopposed at the run-off election Friday. Five persons turned out for the student body nominations assembly yesterday.

Pinard received last minute approval to run after being granted nine service units, giving him a total of 85½. He is a junior with deficiencies. The constitution calls for two juniors, one man and one woman.

Junior justices are elected during the winter quarter in order that two experienced members will be with the Student Court during the entire year. Other justices run in the spring quarter student body elections.

Seniors will nominate a class treasurer at today's orientation meeting at 11:30.

Persons running for this office must be approved by the Commerce department. The Senior class treasurer is in charge of the upperclassmen's finances.

Sotzin Named Committeeman

Dr. Heber A. Sotzin, head of the Industrial Arts department, yesterday was named to a six-man national committee charged with preparation and publication of a brochure explaining occupational opportunities for young men in industrial education.

Announcement of Dr. Sotzin's appointment came from Dr. Howard Selvius, professor of industrial arts at Wayne university, Detroit, and president of the National Association for Industrial Teacher Trainers.

Bill McFarland. Ethyl Dodge and Merideth Hughes will vie for the office of secretary in the run-off elections Friday.

THREE ELECTED
Bob Keller and Bob Sampson of the junior class ran unopposed and were elected as president and vice-president on a white ballot. Joan Polek received the most votes for junior secretary-treasurer.

Running against two candidates for the office of sophomore class president, Vern Baker came out on top with the greatest number of ballots.

By ruling of the Student Court, no vote totals were released for publication. No reason was given for the action.

Tied up for the post of vice-president of the sophomores are Joe Ashworth and Don Gifford. Their names will be placed on the ballot for Friday's election.

Ramona Hicks will act as secretary-treasurer for the ensuing year.

FROSH VOTE
Freshmen turned out to elect three class officers and representatives for two seats on the Student Council. Arthur Butler was chosen president with Nancy Etherton winning the post of vice-president. Sally Moody is the new secretary-treasurer.

Four frosh will vie for the two council seats Friday. They are Roy De Soto, Dean Price, Robert Madsen, and Bill Morgan.

Seniors won top honors for having the highest percentage of class members turn out to cast their ballots. Almost one-half, or 312 of the last-year students, voted in the elections.

GREATEST NUMBER
Although the sophomore class led with the greatest number of students, it had only 25 per cent representation. More than 420 went to the polls.

Also making a 25 per cent total were the juniors with almost 280 voters. Freshmen trailed behind the three other classes with less than 380 out of 2460 students casting their ballots.

OFF THE WIRE

By UNITED PRESS

Edited by JACQUE WOLFF

Three Arabs were killed and 78 wounded in a riot against British forces yesterday in Tripoli, British authorities announced.

President Truman yesterday asked Congress for 570 million dollars for China to halt the "continued deterioration" of the Chinese economy.

Beatrice Johnson, promotion manager for the pro-Communist weekly "The New Masses," has been arrested in New York City for deportation as an alien Communist, the Justice department announced yesterday.

Former Secretary of State James Byrnes' book "Speaking Frankly," has been ordered confiscated by Soviet occupation officials, the Interior Ministry said yesterday.

The 16-year regime of Eamon de Valera as Premier of Eire came to an end yesterday when he was defeated for re-election in the Irish parliament.

The Weather Bureau yesterday reported roads to Badger Pass, Wolverton, and General Grant ski fields were good and chains were unnecessary; ski conditions in those areas ranged from "good" to "fair."

Russia and Hungary signed a treaty of friendship and mutual assistance yesterday, the Moscow radio reported.

Two outstanding Soviet composers, the world-famous Sergei Prokofiev and the lesser-known Vano Muradeli, have publicly confessed their past failures to create democratic Soviet music free from bourgeois modernistic influences.

Sen. Glen H. Taylor, D., Idaho, says that President Truman's quarterly report on aid to Greece and Turkey showed that the United States had allotted or spent \$8600 to fight each of the Greek guerrillas.

Arab league sources in Cairo said last night they had received word from Yemen that King Yahya of that country had died.

Secretary of State George C. Marshall said yesterday that there was no foundation for Soviet charges that the United States sought a separate peace with Germany in 1943.

DAY EDITOR—This Issue—BOB BODEN

Sparta's Past

Have you ever stepped into the room in the library which houses the San Jose State college collection?

Hurrying students pour through the lower hall from early in the morning until the library closes at night with seldom a curious glance towards the glass door to the collection room.

Behind that door is a scene from the 1800s. Chairs from the 1890s, a tall, old fashion bookcase, and other fixtures blend together to create a typical "parlor" of the last century.

In this setting from the past are arranged the important items from the opening of the college until the present. If you are interested in what the college was like when "six young ladies and one young gentleman" comprised the student body, this quiet little room can show you.

Open that glass door some day and step in for a minute.

HAVE YOU HEARD

By BEE KAY

Bobbie Gardner, English department secretary from San Jose, recently became engaged to Norrie Waddington of Santa Cruz.

The bride-elect is a graduate of San Jose State college; the future bridegroom is credit manager of Hale's department store in Santa Cruz.

The wedding will take place at the Chapel of Roses at Oak Hill Memorial Park on March 5.

Two boxes of chocolates were passed at the last meeting of Phi Kappa Pi (pledging Gamma Phi Beta) while two boxes of cigars were passed at the Sigma Gamma Omega meeting, announcing the betrothal of Roberta "Tiny" Bryant to Merton Root and Frances Hernandez to David Horn.

Frances is a commerce major from San Leandro; Dave is from San Jose and is majoring in radio.

"Tiny," from Menlo Park, is a commerce major while her fiancé, off campus this quarter, is from San Jose.

A double wedding is planned for next September.

Blanket Bundles...

Mr. and Mrs. Everett Holecek became the proud parents of a son, Philip Joseph, born February 10.

The new father majored in Business Administration while at State; the mother, the former Dorothy Slinkard from Eagleville, was a kindergarten-primary major.

The baby weighed seven pounds, three ounces at birth.

Bill Pickard is the name of Sergeant and Mrs. David E. Pickard's new son, born at Letterman's hospital February 6.

Sgt. Pickard is an instructor in the Military Science department; his wife is a graduate of Black Hills, South Dakota, Teachers' college.

The baby weighed eight pounds, seven and one-half ounces at birth.

Blue Card Blues?

Did you get a blue card? If so, the personnel office urges you to come in for consultation this week or next. Appointments will be made on a first come, first-serve basis. A special invitation to come early is given students facing end-quarter probation or disqualification.

Dr. Glad Speaks On Alcoholism

"There is no such thing as an alcoholic personality," contended Dr. Donald D. Glad, psychology professor, in his talk to the Psychology club Monday evening.

"Alcoholism is a symptom of maladjustment or neuroticism. To cure the chronic alcoholic one must learn what maladjustments exists," Dr. Glad stated.

Members of the Psychology club held a short business meeting before Dr. Glad's talk, according to Malby Roberts, president. The group accepted Dr. Elmo Robinson's invitation to use his Saratoga home as a base for Spring hikes.

SOCIAL SCENES

Seekers Club...

The Seekers club was well represented at the first annual Methodist Student Movement Conference held last week-end at Asilomar with 19 members attending.

Theme of the two day affair was "New Techniques for a New Day" and the main speaker was Dr. Harold Chrensbarger.

Eta Mu Pi...

Members of Eta Mu Pi, national honorary Merchandising fraternity will give final approval and ratification to a revised constitution presented by Sal Millan, Nancy Davis, and Joyce Woods at their meeting tomorrow in room 139 at 10:30 a.m.

Merchandising students are urged to make every effort to qualify for membership in Eta Mu Pi.

Spartan Knights...

The Morris Dailey auditorium will be the scene of the weekly Spartan Knight movies, announced Ray Bishop yesterday. Beginning Sunday evening at 7:30 the auditorium will be used.

This week's attraction will star Henry Fonda, Alice Faye, and Don Ameche in a portrayal of the life of Lillian Russell. "This story of the famous actress of the Gay Nineties, is as appealing as are many of the old songs," said Bishop.

The wit of men compared to that of women is like rouge compared to the rose.—Saint Foix.

THRUST AND PARRY

Dear Thrust and Parry:

It has been said "the water polo team did not place high in the league." The question is what league?

The only other school that had a water polo team in competition was Cal Poly and the Spartans defeated them twice. San Jose also defeated Stanford twice. U.C. and U.C.L.A. both went down under our might. The Spartans defeated the best teams to be found on the Pacific coast.

The football team got jackets after a not too spectacular season. Is it too much to ask that the Water Polo team be shown some extra recognition for a first class one?

ASB 101

Come On Congress

Dear Thrust and Parry:

The Atlantic Monthly will have to wait—I'm giving "Daily" readers first chance to read this poetic effort.

Come on Congress accelerate

AFFILIATION WITH NSA COULD BENEFIT SJSC

By PHIL ROBERTSON

Delegate to California and Stanford Regional Meetings

(First of a series of articles on NSA expressing student delegate's opinions.)

Affiliation with the National Students Association can be a big benefit to San Jose State college students. The NSA works through the local Student Council, and can greatly strengthen that body.

Admittedly the local student situation is such that few if any problems arise that can't be handled locally. It is not, however, in the field of conflicts and problems alone that the NSA is concerned.

SCHOLARSHIPS

Scholarships are offered through the work of NSA. Benefits such as travel study, and exchange of ideas would be offered the local campus. Plans are under way to have exchange musical and dramatic productions between colleges and universities.

Affiliation can mean extended horizons for local students by offering greater opportunities for contacts with other students and well-known professional men. There would be no usurping of any Student Council powers caused by the NSA.

All actions by NSA are put before the local Student Council for approval. Students selected by the Student Body, either from the Student Council or responsible to that body, would serve on the local NSA committee.

INVESTIGATION

The Student Council has been "investigating" affiliation with

NSA since December, 1946. Next quarter the question once again comes before the Council, and at that time a definite decision should be reached.

After working with delegates from many other colleges and universities from all over the state, it seems that such influence as wielded by this organization would be invaluable for Washington Square.

PHELAN AWARDS

Applications for the James D. Phelan Awards in Literature and Art contest should be sent to the contest office at 820 Phelan Building, San Francisco 2, on or before March 15, 1948.

This award, carrying a stipend of \$1,000 was provided for under the terms of a bequest made by the late Senator Phelan.

PACIFIC FIVE SEEKS REVENGE OVER SPARTANS HERE FRIDAY

By JOHN GOTHBERG

Pacific's cagemen come to town tomorrow night for their second and final battle with San Jose's title-bound Spartans. The Tiger quintet will be out to overturn the Gold and White's chances of gaining undisputed claim to the pennant.

COP has had a hot and cold season but will undoubtedly show both smoke and flame tomorrow night. Coach Chris Kjeldsen's men were edged out by Fresno State last Saturday in a hard fought contest. However, the Bengals dumped St. Mary's the preceding week and lost a close one to Stanford, 45-43.

McWILLIAMS

Stan McWilliams is the main cog in the Orange and Black machine. He is tops offensively and defensively. Bud Proulx, Hank Pfister, and Phil Ortey are three other sharpshooters that make the Tiger outfit a hard one to stop.

The Spartans now have a season's record of 17 wins and seven defeats. After last weekend's double victory, the locals have increased their win streak to seven straight. Only Pacific, USF, and San Diego State remain in the way of the Gold and White hoopers. Should these teams crumble before the SJS onslaught, this year's Washington Square team will have completed the most successful basketball season in the school's history.

SPARTANS

Coach Walt McPherson will probably start the following against the Bengal Tigers: Chuck Hughes and Bob Hagen at forwards; Bob Wuesthoff and Ralph Romero at guards; Stu Inman at center. Hal Marks, Bob Enzensperger, Ron Staley, and Junior Morgan will undoubtedly see considerable action against last year's champions.

In their first game this winter, the Stocktoners fought a 54-42 losing effort with the Spartan casabamen. Coach Kjeldsen hopes that tomorrow night his boys will be fired up enough to halt the smooth working San Jose attack.

TWO FRATS WIN BASKETBALL TILTS

DTO eked out a close win over SGO in a tight game played in the Men's gym Monday evening. The game was one of a series of interfrat league games being played.

Eli Bariteau of DTO tallied 10 points for top scoring honors.

Theta Mu Sigma trounced the Tri Gamma five 37-14.

The remaining Interfraternity basketball schedule is as follows:

Feb. 19—BCS vs. CDP. SAE vs. TMS.
Feb. 23—BCS vs. DSG.
Feb. 25—GGG vs. DTO; SAE vs. DTO.
Feb. 26—DSG vs. CDP; SGO vs. TMS.
Mar. 2—APO vs. CDP; SGO vs. SAE.
Mar. 4—GGG vs. SAE; TMS vs. DTO.
Mar. 8—DSG vs. APO; GGG vs. SGO.

Band Concert Is Set For Feb. 29

The San Jose State college symphonic band will give a concert on Feb. 29 at 3 p.m. in the Morris Dailey auditorium, the Music department announced yesterday.

Forrest J. Baird will conduct the band, and Harold M. Johnson will be guest conductor. Mr. Johnson will conduct several selections which he has composed.

P.E. FRAT HOLDS INITIATION RITES

The Alpha Epsilon chapter of the national physical education honorary fraternity, Phi Epsilon Kappa, held initiation ceremonies at Rickey's Studio recently. Dinner was served to nearly 35 members.

Phi Epsilon Kappa is the only national physical education fraternity with chapters located at leading colleges and universities throughout the country. The local chapter was granted in 1939.

Present officers of the San Jose chapter are William LaBee, president; William Elam, vice-president; Ronald Staley, secretary; James Johnson, treasurer; Harold Marks, historian; James Waterman, guardian; and Ken Blue, sergeant at arms.

TRIEB SPEAKS

Guest speaker at last Sunday's initiation was Mr. Martin H. Trieb, Supervisor of Physical Education, Los Angeles City Schools and District Counselor of Phi Epsilon Kappa.

INITIATES

Members initiated included: Bob Anderson, Bob Pifferini, Sam Lawson, Joe Stein, Bob Erhman, Chuck Hughes, Ed Rudloff, Tudor Bogart, Bill O'Bayley, Ben Capp, Bud Nygren, Bob Bingham, Bruce Clarke, Wayne Fontes, Ralph Kling, George Miskulin, Cliff Francom, and John Wilber.

Faculty advisor is Bob Bronzan.

P.E. MAJORS HEAR DR. SWEENEY SPEAK

Dr. William G. Sweeney, Head of the Department of Education, San Jose State college, recently addressed over two hundred men physical education majors in one of a series of evening forum meetings.

Dr. Sweeney pointed out the various requirements, advantages and disadvantages of educational degrees and credentials. Those attending agreed that his presentation was one of the most illuminating and interesting yet presented to this group.

The next meeting of P. E. majors will be held Monday, February 23 at seven o'clock. The principal speaker will be Mr. Charles L. Walker, Associate Professor of Physical Education, San Jose State college and Director of Physical Education Teacher Training.

SIX TEAMS VIE FOR INTERCLASS TRACK MEET HONORS NEXT MONTH

By PAUL VON HAFFTEN

Coach Bud Winter released the list of six teams yesterday which are entered in the Interclass Track meet which is being held at the Spartan stadium here March 11-12.

Captains of the six teams are: Connie Varneck, Woody Linn, Tom Birmingham, Merle Knox, and Bob Likens. Linn's team is said to be the favored.

GROUPS BACK TEAM

One fraternity and one sorority have already backed Woody Linn's "Red Hot" entry. They are the Silver Sabers and the Allensians. Coach Winter urges other organizations to sponsor squads.

LINN'S TEAM FAVORED

The Interclass meet will be divided into two divisions. There will be the varsity and the novice. The different group captains will draw from the freshman teams. They can also proselyte from the entire student body; providing the student isn't a member of the six varsity teams or the frosh.

Coach Winter has issued a call for more track managers.

Linn's squad is the favorite as he has such stars as Jim Johnson, Fred Mangini, and Bob Le Baron. However, his team is being strongly challenged by the teams of Connie Varneck and Tom Birmingham. The following names of Varneck's squad should cause much concern to Linn. They include: Grant Denman, Oren Johnson and Bill Rodgers. However, Birmingham has these aces who threaten to upset the dope bucket. They are: Steve O'Meara, Gene Haynes, Jack Faulk, Carl Underwood and Lon Hall.

THE SQUADS

Members of Linn's team includes: Le Baron, Mangini, Nash, Lowell, George Tanner, Larry Green, Mel Martin, Jim Johnson, Rose, Glenn Hatley. Knowles team consists of Dick Kaufman, Dick Henrich, Roger Smythe, Tom Higgins, Ode Commeratto, Chuck Spurgeon, and Howard Overhouse. Varneck's squad is composed of Denmark, Johnson, Rodgers, Larry Coombs, Dick Webster, Bob Seymour, Jack Passey, and F. Lamat.

Birmingham's outfit is O'Meara, Haynes, Underwood, Hall, Faulk, Bruce Moriarty, and Moore. Knox's team members include: Bob Bingham, Bill Schemel, Jim Crawford, Paul Giansireusa, Junior Morgan, Bob Longmire and Hubert Thornber. Bob Likens champions include Stu Inman, Bill Passey, Bob Laurie, Ray Overhouse, Dick Fortier, and Mel Bonn.

Badame Is New Grand Magistrate

Joseph Badame, junior biological science major from Fruitvale, was elected grand magistrate of Tau Delta Phi, men's honorary scholastic fraternity, at the regular meeting Friday.

Other officers elected for the remainder of Winter and Spring quarters include Verl V. Vandivert, junior chemistry major from San Jose, magistrate; Ray P. Puck, junior geology major from San Jose, master of finance; and Wes Peyton, senior journalism major from San Jose; master of records.

INTRAMURAL FIVES ARE NEAR FINALS

Gordon Hay's "Renegades," bowed to the "Crusaders" 27-13 Monday evening in an intramural league basketball tilt in the Men's gym. Gene Barbier of the "Crusaders" was high point man with 12 digits to his credit.

A small but scrappy "Spartan Chi" five trounced the "Pyle Inn Boys," by a measure of 23-15. Roy Morchito bucketed 10 points for the top scoring position.

League play-off games are scheduled to begin tomorrow night, according to Coach Ted Mumby.

Certainly the greatest scholars are not the wisest men.—Regnier.

Largest Revelries Crowd Attends Block Night Performance Of 'Up Powell,' 1948 Production

One of the largest crowds to attend the Revelries show, "Up Powell," thus far packed the Morris Dalley auditorium last night to witness the gay musical going into its third performance.

Last night was block night, the night set aside for social organizations to see the annual all-student production. The audience numbered near 1200, the full house mark. Friday night will probably run near last night's attendance as the tickets are almost sold out.

"It's too early to predict," commented Miss Edith Graves of the Business office, "but I'm inclined to think this year will break a record in attendance. There are still some seats available for the remaining three nights, but they will probably be sold soon."

The show, which upon conclusion will establish a record for the longest Revelries run, will play for the last time Saturday. Curtain time is 8:15 p.m. Tickets are still on sale in the Business office for 90 cents to ASB card holders and \$1.25 for general admission. Any remaining tickets go on sale at the door on the evening of the performance.

Foresters Jaunt To Carmel Sat.

Allen W. Jacobs' Forestry 70A class will be seeing a lot of country Saturday.

The group will take a 200-mile round trip excursion to Pacific Grove and Carmel to study forest growth in that area.

Monterey Pine and the Monterey Cypress are the two forest trees native only to this sector, explains Jacobs. The pine will be studied as it is used for wind-breakers.

"Our group will observe the cutting down and sawing of pines into lumber for local use, the stagnation growth of this tree in many places in the area, and the habits of the Monterey cypress along the 17-Mile Drive," declared the instructor.

New Prof Leave Bill Proposed

A bill proposing authorization of sabbatical leave to college and university faculties will be introduced to the State legislature, declares Dr. G. A. McCallum of the Natural Science department.

The bill was originated at the 18th Annual General Council of the California State Employees' association at Santa Barbara last week end. Dr. McCallum and Instructor Guy George of the Commerce department attended. Mr. George is chairman of the State College committee.

Sabbatical leave would allow teachers one free year at periodic intervals "to do with as they please," explains the biology professor. While away from their faculty positions they would continue to receive a part, tentatively 50 per cent, of their regular salary.

McCallum states that in the past faculty members who have left their teaching posts for a time have had to pay the substitute instructor. If the sabbatical leave bill is passed by the legislature, salaries of replacement teachers will be paid from funds set aside for the purpose.

Sorority Travels To Badger Pass

A group of Ero Sophian members (pledging Alpha Phi) and their guests went last week end to Yosemite and Badger Pass. It was the first skiing trip for most of the girls. The only casualties recorded were some sore ankles and knees.

Those who skated and skied were Bonnie Lingenfelter, Vivian Brizee, Sue Edwards, Jane Moore, Barbara Brown, Shirley Dodd, Adele Chase, Yvonne Welsh, Betty Campbell and Jean Ellen Berry. Guests were Jean Zumwalt of UC, and Beverly Ricketts and Carol Stein of this college.

President Talks On State of SJS

President Thomas W. MacQuarrie will outline "The State of the College, Present and Future," to the local chapter of the American Association of University Professors today at 12:30 in room 2, Home Economics building.

The meeting will be chairmaned by Dr. Heber Sotzin, head of the Industrial Arts department and president of the local chapter, AUP.

Dr. Harold P. Miller, professor of English, will render a report on possible methods of improving oral and written expression among both students and faculty. Dr. Miller heads a ways and means committee of the AUP chapter on developing more effective use of English.

Spartan Boxers Travel North

The Spartan boxing team invades the Pacific Northwest tonight for the first time since the end of World War II to tangle with the Gonzaga Bulldogs in Spokane, Washington.

Among the squad who are going include: Rudy Aguirre, Charlie Townsend, Ray Davilla, Wayne Fontes, Bob Anderson, and Pete Franusich. Kenny Cayocca is ill and will not be able to make the trip. He is replaced by Jim Nutt.

The Spartans will face the strong Idaho Vandals at Moscow, Idaho, Saturday.

Gonzaga's Bulldogs trounced the Vandals in a recent surprising upset in the northland.

Mu Phi Epsilon Initiates Six

Six new members were recently initiated into Mu Phi Epsilon, national honorary music sorority, reports Colleen McCann, secretary.

Those initiated were: Priscilla Phillips, Beverly Busch, Shirley Moeck, Betty Campbell, Claire Booker, and Virginia Weimers. The formal initiation ceremony was held at the home of Mrs. Edith Eagan.

Plans are now under way for the annual Mu Phi Epsilon concert to be given in the Little Theater on April 15, Miss McCann said.

Horology Department Is One Of Seven To Receive National Accreditation

San Jose State college's school of watchmaking is one of seven in the United States to be accredited by two national horological groups, Francis Crofut, director of the school, told the Rho chapter, Epsilon Pi Tau, Tuesday night.

Of more than 100 watchmaking schools now operating, only seven have been approved by both the United Horology Association of America and the Horological Institute of America. Only 14 have been accredited by the former alone, only 14 by the latter, Crofut explained.

The director of the horological course outlined results of the course after four years of experience on Washington Square. The class is limited to between 30 and 40 students (there are 28 at present); and 16 persons have graduated.

The two national associations set up standards on which watchmaking schools are judged, and prepare examinations for the individual students.

Epsilon Pi Tau is the national industrial arts fraternity. Dr. Heber A. Sotzin, head of the Industrial Arts department, was present at the meeting.

WAA Playoffs Begin Tonight

Leagues II and III of the WAA Basketball Round Robin tournament will play tonight, announced Mary Jonas, manager, yesterday.

The teams playing in League II are Mary George Coop vs. Var-Six, and "I" Points vs. YWCA, captained by Betty Bunker, Phyllis Jones, Betty Schwerin, and Sandy Macy respectively.

In League III playoffs, the CWC-Shooting Stars play Pratts Brats, Mary Walsh and Maxine Sedgwick as captains. The Hot Shots, with captain Jacque Foster, play the Blue Hornets, with Jean Martin as captain.

Engineering Students

All engineering students planning to transfer to the University of California may obtain application blanks from Mrs. Hazel Scott in room 110. The applications are necessary in order to take the engineering test which will be given May 8.

Lower Delinquency Rate Is Spartans' Goal At Mt. View Youth Center

Acting in the interest of curbing juvenile delinquency, three San Jose State college students, Bill Yates, Ray Esposito, and Gordon Martin, are reorganizing the Mountain View youth center.

Saturday night seven members of the "Up Powell" cast went to the youth center, "The Eagle Shack," and put on a rousing stage show.

Before a crowd of 257 teenagers, Cliff Roche, Betty Louthan, Doris Perry, Roy Bertorelli, Nick Lickwar, Chuck Murphy, Shirley Tallman, and Boyd Johnson staged a six-act show. The State students were received enthusiastically by the youths.

Noting a crying need to reorganize the youth center, which had fallen into disuse during recent months, the three San Jose State men have undertaken a big job. They are aiding in planning and soliciting community support for the project.

Speaking of the youth project, Armen Hanzad, Revelries publicity director who went with the players Saturday, said, "The fellows are doing a fine job in supporting and guiding the youth center and we, from the cast of "Up Powell," appreciated the privilege of doing our part in supporting such a noble effort. We would like to stage another show some time in the future."

Red Cross Uses Student Speakers

Student speakers from San Jose State college will be part of a 35-member community Red Cross Speakers bureau, announces Wilbur F. Luick, speech instructor and Forensic Squad adviser.

One-seventh of all calls for speakers on the blood bank or other Red Cross services will be answered by students DeForest Andrews, Pauline Bennett, Mary Emory Dunn, Laverne Galeener, Jeannine Gilliland, Rose Neil, and Richard Russell. Other speakers may be added to the list, reports Luick.

Delta Phi Delta Plays Host

Dr. R. B. Stewart, vice-president and comptroller of Purdue university at LaFayette, Indiana, and Mrs. Stewart were San Jose visitors last week. Mrs. Stewart, who is past national president of Delta Phi Delta, honorary art fraternity, was guest of honor at a tea given in the Art department by the college chapter of Delta Phi Delta.

While on the coast, Dr. Stewart has been investigating student housing at several colleges and universities.
